CHEMISTRY DEPARTMENT EXAMINANTIONS BOARD

Uganda Certificate of Education

INSTRUCTIONS TO S1 STUDENTS:

This examination paper consists of **one** *section;* **A**.

It has **three** *examination items in section* **A.**

Responses to section **A must** *be written in the spaces provided.*

You are advised to **first** *read the scenario and tasks in each item and respond accordingly.*

No additional piece of paper should be inserted or attached to or in this booklet.

Poor handwriting may lead to loss of scores.

SECTION A

Respond to **all** *the items in this section in the spaces provided.*

Item 1

The students of Kechi primary school were suffering from several illnesses. The school nurse went to a nearby pharmacy and purchased some products. Figure **1** shows the products purchased by the school nurse.

Fig. 1. Products purchased by the school nurse.

The nurse gave the products to the students for use, and after some time, the students felt some relieve from the illnesses.
However, the nurse further warned the students that despite the merits of using such products, they can also pose some dangers to their bodies. Some students wanted to know the merits and dangers of these products hence they approached you for help.

Task:

(a) Identify the category of the product and state their function.

Item 2

Following several powerlifting workouts in the gym, Shania and Salim were feeling very thirsty. They went to a nearby shop where Shania bought a product **X** while Salim bought a product **Y** and they went back to the gym. Figures **2** and **3** shows the products **X** and **Y** bought by Shania and Salim respectively.

Fig. 2. Product **X**

Fig. 3. Product **Y**

Upon going back to the gym to use the products they had bought, the gym trainer cautioned Shania and Salim about the side effects associated with the constant use of such products. Shania and Salim are eager to evaluate the products they had bought and they have reached out to you for help.

Task:

(a) State the categories of the products, and the function of each product.
